WORK EXPERIENCE

Front End Web Developer

GoQR

08/2021 - Present

Berlin, Germany

Reputation management service for business owners. Currently on POC stage.

Achievements/Tasks

- Implemented features for the admin dashboard using Typescript, React and Bootstrap.
- Led the migration from Bootstrap to Styled Components.
- Actively contributed to our team working with Scrum methodologies.
- Contributed to a fully-remote async team using PR reviews as the main tool for code quality and team collaboration.

Customer Service Specialist

N26 Operations

09/2019 - 09/2021

Berlin, Germany

Achievements/Tasks

- Focused on complex cases, requiring proactive communication with different departments within the organization.
- Maintained high performance consistently, exceeding targets by over 5% above the market averages in all KPIs.
- Took initiative and engaged into projects in addition to my basic responsibilities, requiring analysis on the observed results.
- Provided shadowing sessions and mentorship to the newest colleagues within our team and external contact centers.

Social Media Moderator

Arvato Bertelsmann

02/2018 - 09/2019

Berlin, Germany

Achievements/Tasks

- Constantly exceeded expectations for my role, which led to joining the Quality Analysis team as a backup for the Spanish Market.
- Performed moderation tasks for High-Priority content, requiring special training and permissions.
- Acted as first point of contact for new hires on their nesting stage, helping their early development for the job.
